

A Very Merry Christmas Greeting to You

The Christmas Season is a magical time for our community, especially for the children. It is a time where the kids of our city get to believe in a little magic and receive many blessings from their parents and families... but for some children it is not always that way. Some children do not get to experience the holiday cheer in their homes and some of them do not get to experience the joy of opening any presents Christmas morning. We want to change that for those that are less fortunate.

This year the Louisiana Culinary Institute Foundation will be hosting our Forth Annual Breakfast with Santa Fundraiser which allows us to donate money to local schools so that they can identify children in need that may not otherwise have a Christmas and help to bring them some joy by having a gift to open on Christmas morning.

We are determined to raise even more money during this event so we can contribute more to our community. Our goal for this year is \$10,000.00 and we are asking for you to help us reach that goal.

Last year we reached out to the community and sold individual and business sponsorships to help boost our giving potential. We are asking for your support again, and we are confident that we will have an even further reach this year and bless more children this Christmas. Every child needs a Christmas, so if you could please find it in your heart to purchase tickets to the event, and help with any level of sponsorship that you feel appropriate, it would be greatly appreciated.

Please see the sponsorship levels on the next page!
Thanks for supporting our children, and Merry Christmas

Merry merry Christmas!
